This month's **coloured attachment** scripture is **1 CORINTHIANS 3:11**

**“FOR NO-ONE CAN LAY ANY FOUNDATION OTHER THAN THE ONE ALREADY LAID, WHICH IS JESUS CHRIST”**

The foundation of Christian life and character is not open to choice. Believers are like buildings. Humanism or good works are built without Christ and receive no reward. Builders are judged by their foundations. There can be no other beginning than Christ as The Truth, even though lives can be built in many different ways.

To build upon Christ is worthwhile, valuable and lasting. The wise builder comes to Christ, accepts Him for who He is and hears His instructions and does them, and develops on Christian discipleship principles and belief stands firm because it is founded on the Rock, which is Christ and His teachings, the firm and solid base.

The wise builder is descriptive of a believer who is redeemed. A house built on the solid rock is saved from devastation and can withstand storms; the builder's comforts peace, hopes and joy are secure.

There is a time when the testing of all that is built will be judged who has been a wise or foolish builder in their lifetime, by their response of obedience to the words of Christ. The quality of work will be shown to be of value or worthless. The person who is obedient builds on Christ The Rock and His teachings, will also withstand death and God's judgment. The Christian who has continued to grow spiritually has built something that is of permanent value. The believer who has lived like an ordinary person of the world will lose what was achieved even though loss is suffered salvation is not.

### CHRIST AS SEEN IN THE BOOK OF 1 CORINTHIANS

Jesus is The Wisdom of God.

**+ BIBLICAL KNOWLEDGE+** Did you know that both Jews and Gentiles ARE NOW UNDER A NEW COVENANT THAT HAD BEEN PROPHESED AND FULFILLED IN CHRIST? Some Jewish Teachers of the Law wanted all the Gentiles who became Christians to follow their man-made rules and the Laws given to Moses celebrating the feasts and Sabbaths. The Apostle Paul made a special trip to Jerusalem, and a Christian Council was held which resulted in Paul given written documents according to God's word that this was not so which proved the Judaizers were the false teachers. ACTS 14 &15.

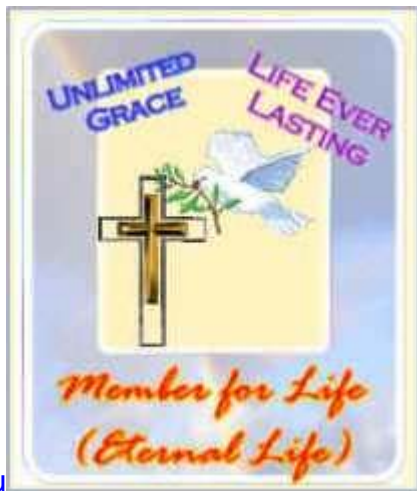

A Colouring In Page of Paul stoned and left for dead by Jews and then dragged outside of the City of Lystra, however he revived and returned back into the City is at <http://www.tne.net.au/~abdaacts/stone.html>
