CHOSEN BIBLICAL New Testament SCRIPTURE-

This month's *coloured attachment* scripture is **ROMANS 11:36 (b)**

“TO GOD BE THE GLORY”

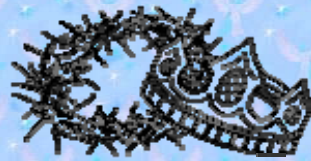

There is a vast distance and disproportion between God and man, between the Creator and the creature. This seals off the complete knowledge of His ways and the sovereignty of wise Divine counsels.

All things in heaven and earth, especially those which relate to the salvation of humankind, reconciliation and restored peace with Him, **are all of Him, through Him** by way of creation and providence, so that they may be to His Grandeur in their conclusion. **God is the ultimate purpose of all things and the only proper response from humankind is to worship Him.**

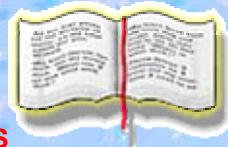

The deity of the Father son and of The Holy Spirit are affirmed by their relation to one another denoted in agreement of the threefold operation of grace, love

and fellowship. God, The Father is The Fountain Source of all, through Christ His Son, by The Holy Spirit.

CHRIST AS SEEN IN THE BOOK

OF ROMANS

Jesus is The Righteousness of God. His Sacrificial death provided justification for those who trust in who He is. He is both Judge and Saviour.

►+ **BIBLICAL KNOWLEDGE-** Did you know that all Jews no longer spoke in Hebrew after Alexander the Great, of Greece conquered their lands? Alexander had a hope for all the world to speak his language and follow the Grecian culture. This led to the Hebrew text being translated into Latin. The Roman Empire took control of the area around Jerusalem in the south along the prominent gateway to the north and to the south of the trading world, and called it Judea, in 63 B.C. but put great material and physical burdens upon the people.
