CHOSEN BIBLICAL New Testament SCRIPTURE-

This month's **coloured attachment** scripture is **JOHN 3:33,34**

**“THOSE WHO BELIEVE HIM DISCOVER THAT GOD IS A FOUNTAIN OF TRUTH, FOR THIS ONE SENT BY GOD SPEAKS GOD’S WORDS, FOR GOD’S SPIRIT IS**

## UPON HIM WITHOUT MEASURE OR LIMIT”

Jesus taught from heavenly experience and anyone who acknowledge His words accepts The Truth that He was sent and came from The Father and not created from this earthly world of humanity.

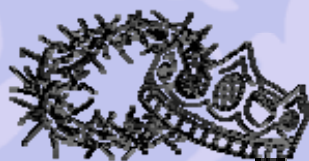

**Believers recognize the fact that Jesus spoke God's Words, heavenly wisdom, affirming God is truthful and that as God's Messiah was acting for Him for the salvation of humankind.** If it is not agreed, then God is being called a liar.

Jesus processed all of **The Holy Spirit's seven-fold office**, being of **God**, of **wisdom**, of **understanding**, of **consul**, of **power**, of **knowledge**, of **loving reverence of The Lord**. He also possessed all gifts and ministries of The Holy Spirit without any boundaries.

**Jesus Christ is far superior to any other who has walked upon the earth for he came from above as a self-revelation of God The Father, an event that has never before happened in History.**

+ **BIBLICAL KNOWLEDGE**- Did you know that the Egyptians attacked Jerusalem and The Temple of Lord was ransacked of gold not long after it was built? Not long after King Solomon had died, the invaders stole all that was valuable in the temples and palaces that he had constructed. This happened during his son's Rehoboam foolish tyrannical rule.

**A JANUARY EVENT**-Nicolas Cop was elected Rector of the University of Paris and his inaugural address, prepared by a 24-year-old firebrand named John Calvin, was a declaration of war on the Catholic Church. The speech demanded reformation on the basis of the New Testament and attacked the theologians of the church who taught nothing of faith, nothing of the love of God, nothing of remission of sins, nothing of grace, nothing of justification. The speech so inflamed Paris that Cop fled to Basel, and Calvin fled disguised as a vine-dresser with a hoe on his shoulder. The tension exploded into violence over a scathing placard by an overzealous Protestant named Feret. He attacked the unbearable abuses of the popish majority. One night Feret's poster was found nailed to the king's bedroom door, and that did it. **Protestants soon filled Parisian jails.** And on **January 29, 1535**, to purge the city from the defilement caused by Feret's placards, an immense royal torch-lit procession travelled in silence from the Louvre to Notre Dame. The king declared he would behead even his own children if they embraced the new heresies. Six Protestants were suspended by ropes to a great machine that lowered and raised them into burning flames. In the coming months, many more Protestants were fined, imprisoned, tortured, and burned.
