# "ONE IN CHRIST"

Christ exhorts His disciples to abide in Him. **Christians in unity give and support one another, living in harmony because of the same trust and belief in God's Word.** The unity of God's people is a distinguishing characteristic, which derives from their common relationship with Him.

**Unison of God's people comes from the common receiving of The Holy Spirit, which transcends all barriers.** Unity in Christ surpasses ethnic, social and sexual distinctions. This harmony is expressed in mutual concern and action toward one another, because of their unification with Christ. Christ has eliminated any discrimination of those in The Kingdom of God.

By adoption, the justified believer is a full heir in God's Family with the same rights, justice, freedom and privileges. **All believers are new creations in Christ.** Joining together with Christ by trust and belief (faith) is the sharing in all the benefits that result from His person, who He is and His work. **Believers are identified together with Christ.**

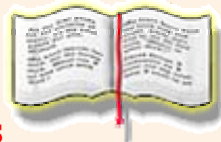

God's people include all who believe; they belong to the community of believers of which Christ is head, and they are intended to be filled with The Holy Spirit. **It is God's ultimate goal to unify His people.** The desire for such unity is a reflection that is expressed within The Godhead.

Alienation from God and one another is because of sin and God desires to reconcile humankind to Himself, united in worship. **Jesus is The Redeemer, The Reconciler, The Deliverer from The Curse and Bondage of The Law.**

- **BIBLICAL KNOWLEDGE-** Did you know that Moses life was a miracle as he should have been killed as the other male infants were, but God had saved him for His special purposes? His mother Jochebed placed him in a basket made of river reeds and his sister Miriam kept watch. He was taken into Egyptian royalty as the son of a princess, but ultimately became a great man of God.

There is a colouring in page of Moses as a baby hidden amongst the bulrushes along the River Nile in Ancient Egypt at <http://www.tne.net.au/~abdaacts/nile.html>

**AN AUGUST EVENT** *Mary Slessor's childhood was marred by a drinking father leaving the family destitute for another week. By age 11 Mary was putting in 12-hour shifts in the mills, six in the morning till six at night. Mary found she could prop books on her loom and read while working. Mary worked in mission halls near her home in the slums of Dundee, Scotland. She learned to face down gangs, to pray down blessings, and to break down hardened hearts. Mary read of Calabar (Nigeria), an "unhealthy, mysterious, terrible land ruled by witchcraft and secret societies" and committed to go there as a missionary. On **August 5, 1876**, she sailed for West Africa. In the years that followed, she **single-handedly** tamed and transformed three pagan areas by **preaching the gospel, teaching the children, defending the abused, and rescuing the mistreated**. She lived in mud huts and was a **combination circuit preacher, village teacher, nurse, nanny, and negotiator**. She diverted tribal wars and rescued women and children by the hundreds. Often babies filled her home by the dozens. She won the respect of Europe and Africa and became the first woman vice consul of Britain, using her position to further her missions. For 40 years she pioneered the gospel in areas that had proven to be a graveyard for other missionaries.*
