# "FOR GOD WAS IN CHRIST RECONCILING THE WORLD TO HIMSELF"

Jesus

The deepest possible expression of God's character is shown through the sacrificial loyal covenants with the people of His Creation. **The gift of God's Son is a unique act of love.** God has shown great love for the corporate world and people individually. His love transforms human love.

God is able to reconcile mankind to Himself because all sin has been reckoned to Christ instead of the sinful human race, who are born separated from God. His death was in the place of mankind who choose Him. **Reconciliation is effective through repentance and faith in Christ.**

An aspect of God's nature is His sympathetic understanding of human nature. Jesus Christ reflects the compassion of God The Father. **The means of reconciliation is the death, resurrection and ascension of Jesus and the result are both personal and universal.** To those who faithfully believe that Jesus was God and that He did die for them on the cross, God counts as righteous in Christ, and believers are reconciled to Him.

God desires that all would be restored and Christians, (The Body of Christ) have the privileged ministry of reconciliation, to tell others of the works of Christ throughout the world. Ever since rebellion alienated humankind from God, He has always established covenant relationships, and initiated an individual's reconciliation.

**Jesus Christ is the ultimate evidence of God's faithfulness.** Jesus is All Sufficient, The Reconciler, The Light and The Judge.

**BIBLICAL KNOWLEDGE-** Did you know that King David is mentioned in the Bible approximately 1,118 times, second only to the number of times Jesus is? As a boy David tended his father sheep and learned valuable lessons for his life during his years as a shepherd. God greatly blessed David and the people of Israel loved him. He sought The Lord's direction in how to govern the nation and was a king to the people.

There is a colouring in page of David as a young man in opposition to Goliath the giant with only a stone in his shepherd's sling during an Israeli/Philistine battle at <http://www.tne.net.au/~abdaacts/goliath.html>

**A JUNE EVENT-** Invisible beams of evangelism blaze day and night across sky and sea, penetrating nations and hearts where missionaries cannot go. Such is the short-wave ministry of Far East Broadcasting Company. The FEBC began in **1945** when three Christians shared their assets and formed a nonprofit corporation to broadcast the gospel through the Orient. One of the men set out searching for a spot for a transmitter and to explore the possibility of locating the transmitter in the Philippines. He requested permission for 10,000 watts, officials marked out the amount "Unlimited Power." Earnestly the founders tried to raise funds as accounts became due. One delay after another tore at the project, but government officials refused to extend the timetable. When June 4 dawned, high-voltage wires crisscrossed the station and workers stepped through ankle-deep water from heavy rains. The men decided to test on the air." The switch was flipped, the transmitters hummed with power, and the staff began singing **All Hail the Power of Jesus' Name**. It was 6 p.m., **June 4, 1948**, and FEBC was on the air. **Without delay reports arrived of barbers, atheists, thieves, housewives, and teenagers being saved.** Today FEBC is still on the air, serving every country in Asia with local and international services in more than 150 languages.
