"THERE IS NO OTHER GOD"

God is holy, which is marked off, set apart, withdrawn from ordinary use. He alone is God. He is unique, He is eternally stable, reliable and is a refuge. His Sovereignty overrides all things and He has the power over life and death. God is the unfailing source of security for His people who trust in Him, also acknowledging that He is their benefactor and declare The Truth that there is none beside Him.

His created people should be in admiration of His infinite perfection. **He is a peerless being with unparalleled excellence that reveals His character and deeds.** He lets His trustworthiness and His personal nature be known. There is no one like God; nothing is comparable to His triune nature, His creative acts, His glory or His ability to save. His sovereignty extends over all things. Only God is to be worshipped.

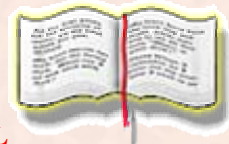

God transcends all limitations of time and endures forever. He existed before time and will after time. His Word and Kingdom are eternal. God is outside and above all creation. He alone is God; He is the One True Living God.

His **characteristics** are Spirit, Life, Light, Love, and a Consuming Fire. **Morally** God is Holy, Righteous, Good, Merciful, Gracious, Compassionate, loving and Kind. His essential **qualities** are Eternal, Self-existent, unchangeable in His being, character and moral attributes, All-powerful, All-knowing, and All-present, His Being is unrestrained, space or time holds no barrier against Him, the Creator of The Universe.

CHRIST AS SEEN IN THE BOOK OF 1

SAMUEL

Christ is portrayed as Prophet, Priest, King, and Judge. Samuel is a type of Jesus, as a prophet, priest and Judge; Christ is the Ultimate Anointed Prophet, Priest, King and Judge. Jesus is a Shepherd, He is the Root, the offspring of David, He is the Intercessor, and the Kingdom Holder.

BIBLICAL KNOWLEDGE- Did you know that the term **Godhead** is used of God by the Apostles in The new Testament? Holy Scripture has revealed that from Genesis to Revelation God is One in Three and Three in One. God is one in operation and three in expression. The Bible makes clear differences between The Father, The Son and The Holy Spirit. There are three distinct personalities of unity in One God but not three separate gods.

A JULY EVENT God frames each person differently, giving each child a unique perspective and personality. George Borrow was born on July 5, 1803, during the age of Napoleon, and his father expected a disciplined son. Instead, George was unstable, meditative with a partiality to run away. He was intrigued by the odd and possessed an insatiable interest about herbalists and fortune-tellers. He picked up languages with remarkable ease and adopted a gypsy life with cart and pony, selling pots and pans. One evening a thief smashed George's head with a rock, and threw his body into the underbrush. Traveling evangelists dragged George to a clearing and attended his cuts. The men gave him some bread and a Bible before going their way. His talented mind soon discovered the Lord. George learned dozens of languages and became a Bible translator. His life was full of breathtaking perils, narrow escapes, imprisonments, and gypsy-like journeys, and his remarkable ministry greatly advanced the cause of European Bible distribution.

God Bless.
