**“ALL SCRIPTURE IS GOD-BREATHED AND USEFUL FOR TEACHING, REBUKING, CORRECTING AND TRAINING IN RIGHTEOUSNESS, SO THAT THE MAN OF GOD MAY BE THOROUGHLY EQUIPPED FOR EVERY GOOD WORK”**

**The Bible is not a collection of human ideas about God.** The purpose of The Bible is intended to lead humankind to The Truth of God and believers to maturity by its teaching, rebuke and correction, by training in righteousness, by encouragement and reassurance. The Holy Spirit revealed God Himself and His plan and directions to godly men, who kept a record of His messages. **The Holy Spirit inspired all the original writings of all Scripture and reveals their meaning and insight to believers.** This was done by revelation by the Holy Spirit and is called Inspiration, showing The Truths of God to the Old Testament prophets and The Apostles who penned God's Word for future generations. New Testament believers recognise the Old Testament writings as The Inspired Word of God.

God was in control of their written and spoken words. **Because The Bible is inspired, it is trustworthy and a safeguard against all false teaching.** Scripture equips believers of Christ to do good to others. **The written Word of God is infallible, (flawless).** The thoughts of God have been freely given. The Word of God has been entrusted to The Body of Christ, which is required to be obedient to it. Jesus claimed the scriptures to be the Word of God.

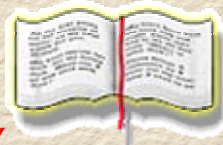

Its usefulness is for teaching people to walk in God's ways, following His commandments, principles and purposes, in thought, will and in action. **God's active involvement makes the written Word authoritative and powerful. God's written revelation is all-sufficient, it is perfect and it is eternal.** A believer who knows God's Word is fully equipped to believe and apply His teaching Truths in their every day living.

• **BIBLICAL KNOWLEDGE-** Did you know that the custom of anointing guests is very ancient and there are many accounts delivering different meanings throughout both the Old and New Testaments of The Bible? Anointing with oil is way of showing politeness, respect and attentiveness, for medicinal uses, and a symbol of the gift of The Holy Spirit.

There is a Colouring In page of Jesus being anointed with expensive perfume by Mary (a female disciple) a few days prior to His crucifixion at <http://www.tne.net.au/~abdaacts/mjab.html>

**A NOVEMBER EVENT- Robert Raikes** was born in Gloucester, England, where his father published the Gloucester Journal. Robert, 22, inherited the newspaper, and immediately used it to crusade for moral reform. One afternoon Robert discovered a slummy suburb of Gloucester. Groups of children surrounded him, and he withdrew back in shock at their fighting, profanity, stench, gambling, and filth. He returned home and **conceived a plan for Sunday schools**. Such schools had already been tried, but without widespread backing. Robert hired **four Christian women to open schools on Sunday** because children worked in the factories the other six days of the week, but on Sunday they ran wild. The children in his Sunday schools were taught to read, then **they learned the Bible, the Catechism, and other themes**. After the schools were clearly working, Robert Raikes used his newspaper to promote them. On **November 3, 1783** the article was published. To his surprise, London papers picked up the story and inquiries poured in from across England and **The Sunday Schools spread rapidly**. Sunday school has changed, yet all ages find their way each week to Sunday school to learn of Christ.
