**CHOSEN BIBLICAL Old Testament SCRIPTURE-**

This month's *coloured attachment* scripture is **JOB 17:9**

***"THE RIGHTEOUS SHALL MOVE ON AND FORWARD,  
THOSE WITH PURE HEARTS SHALL BECOME STRONGER  
AND STRONGER"***

Going forward centres around the confidence of being grounded in knowing what God has done for His people and what He will do, and this purpose is for hope and boldness to endure difficulties.

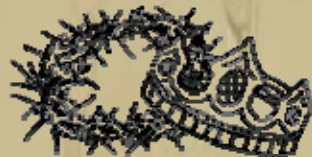

Believers are spiritually restored and matured, because there is communion between God and the believer. **The uprighteous and the sinner who are made righteous in God's presence because of Christ, acknowledges God's Sovereignty in all things, over His creation, that He is all-powerful, full of might, full of His love and mercy and goodness.** Righteousness is a gracious gift of God, it cannot be earned.

The truly wise person knows that God's wisdom and peace is not from human success or failures and the truly wise person never forsakes God for there is the sure hope and the confidence of resurrection. **A pure heart is the right attitude and motive before God and man. A pure heart also is honest, sincere and has integrity.**

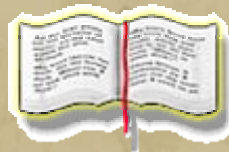

Progress and strength of spiritual growth should be anticipated. **Confidence in God grows stronger as believers trust Him and He proves that He can always be trusted.** Spiritual growth strengthens in faith, in knowledge, in love, putting away of self, persevering, exercising gifts and brings assurance.

The development of spiritual strength is having a renewed mind, tested faith, the preserving in belief through trials.

**BIBLICAL KNOWLEDGE-** Did you know that the roof of a house in the Holy Lands were used for a variety of useful purposes? Not only used for storage, but sleeping, a place to gather in times of excitement, for public proclamations, to see down onto the streets, a place of private worship and prayer, and a place of escape in times of danger.

There is a Colouring In page of a paralytic who was let down through the roof of a house to be healed by Jesus at <http://www.tne.net.au/~abdaacts/roof.html>

**A MARCH EVENT -Johann Gutenberg** grew up in Mainz, Germany, reading all that his wealthy father ordered. Books were outrageously expensive. Local scribes copied the texts by hand, illuminators decorated the margins, and binders made the covers. His idea was to stamp letters using a punch. Though beset by problems, he toiled for years to get his invention to work. He set up a printing shop, and in 1450, after 30 years, he was ready to begin. **He chose the Bible as his first book.** Such a project required the need to borrow 800 guildens from Johann Fust, and two months before the Bible was completed, Fust sued for repayment. Gutenberg angrily turned over his presses and almost-completed Bibles to Fust. **The Bible was first published on March 13, 1456,** and for many years the credit went to Fust. But after Gutenberg died it was admitted that, after all, Johann Gutenberg had invented printing.

God Bless.
