CHOSEN BIBLICAL New Testament SCRIPTURE-

This month's *coloured attachment* scripture is **MATTHEW 24:35**

***“HEAVEN AND EARTH WILL PASS AWAY, BUT MY WORDS WILL NEVER PASS AWAY”***

At the end of this age the heavens will pass away, with a great noise, being on fire, the elements will melt with firmament heat. God's judgement will be to allow flames to incinerate the whole of the physical, natural earth in its present form. **It will have passed away before the arrival of the new heaven and earth. The new will continue to be the place of God's presence.** The effects of the fall of mankind in the Garden of Eden will be non-existent.

This restoration and recreation will come about at the end of time. The effects of the fall will be reversed. **The old order will pass away and the new order will be established. History, as humans have studied and come to know it, will come to an end.** God will begin a new chapter in His eternal history.

God spoke the universe into existence. **God spoke The Word at The Creation of all things. He spoke the galaxies into being, stars burned in the heavens with The Word of unlimited awesome power.** He spoke again and the waters and land were filled with plants and creatures. He spoke; male and female (the race of mankind) was formed. He created everything from nothing and nothing is too complex for Him. Life exists in Him.

His Life was imparted to all living creatures. He has power over everything that exists. **The Word of God has the power to destroy the World.** Life is given through The Word. God is manifested in The Living Word, The Written Word, The Spoken Word, and The Word of Life.

God has always been and will always be. There was never a time when God did not exist. He has no beginning and no end. God is self-existent. **He exists eternally in and from Himself.** He does not owe His existence to any other being.

**BIBLICAL KNOWLEDGE-** Did you know that Tamar, who came from an idolatrous nationality is the first of five women who are mentioned in the lineage of Christ? Her firstborn twin son was a direct ancestor of King David, who occupied an important role in history. She was responsible for the survival of the descendants of the tribe of Judah and obtained the blessing of the firstborn. The Messianic line of

Judah came through Tamar; she was placed in the greatest of all genealogies.

The story of Tamar's life and a colouring page of her dressed as a prostitute is at <http://www.tne.net.au/~abdaacts/tamar.html>

**A FEBRUARY EVENT-Genuine science and correctly taught Scripture are never in conflict, for the same God created both.** Galileo Galilei was an **Italian astronomer and physicist** who made his first scientific discoveries while a student in Pisa. His fame spread across Europe, drawing both students and criticism. In 1609 he began **building telescopes** and **making spectacular discoveries about the heavenly bodies.** Galileo was a **Christian** who believed that God's world and God's Word were both valid objects for study. Using one of his telescopes, he even showed Pope Paul V some of his findings. But he was attacked by the church for his discoveries. **Some clergymen condemned the whole study of astronomy.** In 1632 Galileo was called before the Inquisition to answer ignorant charges about his writings. Despite being 70 years old, feeble in body and health he was forced to travel from Florence during the winter, arriving in Rome on a litter on **February 13, 1633.** **The old scientist was forced to read a statement renouncing his views — especially his observation that the earth moves around the sun —** confessing them as “errors and heresies.” Galileo remained under house arrest, treated badly by church officials
