■ **CHOSEN BIBLICAL Old Testament SCRIPTURE-**

This month's *coloured attachment* scripture is **NAHUM 1:7(B)**

"WHEN TROUBLE COMES HE IS THE PLACE TO GO"

God is a real stronghold. **He is faithful to care for those who trust in Him, He is a place of security.** He is able to deliver His people from any bondage or enemy, protecting them from harm or judgements that may be near.

The Eternal God is a Refuge and Shelter, only He can protect. **God alone is good; He demonstrated His goodness in His actions and protection of His people.** His promises are good. **His people can rely on His protection.** He is a safe retreat, He heals and renews and is a stronghold. As a refuge God calls Himself a fortress, a rock, shade, sheltering wings, a shield and tower.

Because The Lord is good, He helps those endure and upholds them through the tribulations of life. **He is a mighty fortress and a compassionate,**

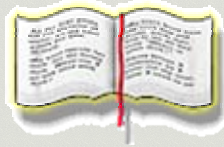

helpful God to all who put their hope in Him. God is jealous over those He loves, His people, **those who keep trusting in Him will be kept safe forever.** God alone can truly rescue His people.

God protects by watching over His people, by His presence with them, sending angels, and by using other people to defend them. **God's protection comes as an answer to prayer.**

■ **BIBLICAL KNOWLEDGE-** Did you know that **Samson, as a Nazarite, was prohibited to cut his hair, or to drink wine, to touch a dead body and not to eat unclean food, but violated all of his vows?** Samson was a headstrong young man with little or no self-control and greatly fell short of God's standard with sin and disobedience. At the end of his life he recognised his dependence upon God.

A Colouring Page of Samson's selfless final act against Israel's enemies is

■ **A MARCH EVENT-**Charles Finney, a lawyer in Adams, New York, grew disturbed about his soul. He knelt for prayer, and experienced a dramatic conversion. His preaching reflected a legal mind, for he presented the case for Christ as if convincing a jury. His powerful dramatic voice brought many to Christ. The highlight of Finney's calling occurred on **March 9, 1831**, when he successfully concluded a six-month series of meetings at the Third

Presbyterian Church in Rochester, New York. The city was dramatically transformed by his preaching. **One hundred thousand people were reportedly converted**, including many of the city's leaders—Stores in Rochester closed so people could attend Finney's meetings, and the taverns went out of business. The crime rate dropped by two-thirds. The city jail was virtually empty for the next two years. The Rochester meetings have been called "**the world's greatest single revival campaign**," and 1831 is known as the greatest year of spiritual awakening in American history. Every year at the end of the term to conduct crusades, and according to some estimates, a half million were converted during his lifetime. His innovative methods paved the way for later evangelists like D. L. Moody, Billy Sunday, and Billy Graham..

God Bless.
