★ **BIBLICAL KNOWLEDGE-** Did you know that Andrew was the first disciple and apostle to be called by Jesus? Andrew did not hesitate to leave his abundant income and follow Jesus who had seen Andrew and Simon Peter fishing with their partners, James and John, and had also called to them to follow Him. Andrew was also the first to call another to be a disciple of Christ.

A FEBRUARY EVENT-

In 776 **Rabanus**

Maurus was born in Germany. His parents educated him in the best schools. He studied in Tours, France, which equipped him to teach others. Back in Germany, Rabanus was appointed school principal, and under his leadership German youth, both poor and rich, were afforded an education. **Rabanus** painstakingly developed the library into the best anywhere and made the school Europe's most famous of scholars and of a score of affiliated institutions. He extended the curriculum to include reprovved superstitions. His graduates were in demand across Europe. **Rabanus's had a passion for God's Word.** His academic programs included diligent study of Scripture. **He wrote commentaries on almost every book in the Bible,** preached regularly, composed hymns, wrote handbooks for ministers, and worked hard for a well-trained clergy — all in an age of darkness, ignorance, and superstition. Finally in 842, exhausted, he retired. At 66, he longed to spend the rest of his life in quiet study, free from official responsibility, but was appointed archbishop of Mainz, Germany. **Rabanus** spent his remaining years preaching the gospel and contending for the faith until he died on **February 4, 856** at age 80.

God Bless.
