CHOSEN BIBLICAL Old Testament SCRIPTURE-

This month's *coloured attachment* scripture is **GENESIS 1:1**

**IN THE BEGINNING GOD CREATED HEAVEN
AND THE EARTH**

The issue of creation is important because the subject tells us who we are. It is a scientific fact that life

can only come from pre-existent life and not from matter alone. **God's power alone is the source of all matter and all living things. God Himself is greater than the universe He created. Until God spoke, nothing existed.**

This **Life is God**. In the beginning God, who has life in Himself, created the heavens and the earth. This small sentence is one of the most truthful ever stated, and it teaches us about God; that the Godhead is creative, eternal, in control of the universe and all its galaxies spinning throughout the vast cosmos.

As the Creator is distinct from His Creation, He is the authority. God created out of love to fulfill his plans, precepts and purposes. **The universe is far too complex for 'it to have happened by chance' as many people might think. Everything is to a pattern, an intricate design, functioning with order and efficiency.**

God has the capability to preserve all these bodies in their sequence without crashing, colliding and blowing up. Just in our atmosphere when you consider the atom and the design of spinning molecules with so much power, but they are all kept in check!

Humankind is the excellence of God's creative works and is made in the image of God, far superior and different from any animal. The intelligence of humans is one of the greatest arguments for the existence of an intelligent God. **Humankind also has an intuitive belief and knowledge of the existence of God and is created to worship Him.**

CHRIST AS SEEN IN THE BOOK OF GENESIS

The Creator, The Beginning, Christ is the seed of Woman. Christ is interpreted and understood as an historical fact in the lives of Adam, Abel, Noah and the ark of salvation, Melchizedek, Isaac as Abraham's only Son and Joseph.

+ BIBLICAL KNOWLEDGE- Did you know that because Adam and Eve didn't trust God, this led to separation from God? God, however, made a promise that He would restore both the spiritual and physical life forever. God in His love set in motion His Plan to win humankind back to Himself and for man to want God's Will which leads to life and not to be under Satan's deceptive will, which leads to death eternally, which is the fate of every human being born. God already had a plan for the Salvation of humankind. The Promise of The Person, Jesus, The Messiah, a Deliverer was made to Satan himself. The first prophecy was that the Deliverer to come would destroy the works of the devil. Christ is exceptional, without peer, is God Himself, timeless in His domain.
