CHOSEN BIBLICAL Old Testament SCRIPTURE-

This months **coloured attachment** scripture is **Numbers 23:19**

"GOD IS NOT A MAN THAT HE SHOULD LIE"

The proclamation that God does not lie points out the immutability of God and the integrity of His Word, which is a huge distinction between God and humankind. **He is changeless and is incapable to change His purposes and therefore cannot lie.** In contrast to the unreliability of mankind, His Words are true and always will come to pass and people are totally inadequate if compared with God, The Creator of all.

God is not unreliable, fickle or changeable. **God is faithful to His Word of Truth**, whereas human beings change their minds continuously which causes them to break their word, therefore commit themselves to lie and then become in the need of repentance. God does neither, He never has to recall his plans, precepts, purposes, promises or principles, and He does not need to repent.

God cannot change, even with all His power, He cannot deny Himself of His own promises. God Himself is faultless and cannot fail, as does humankind. **The blessings of God are irrevocable. God's unique integrity is displayed in His perfection of character and attributes**, which is further highlighted by the unvarying truth of His words and works that are made known in His Son Jesus Christ.

CHRIST AS SEEN IN THE BOOK

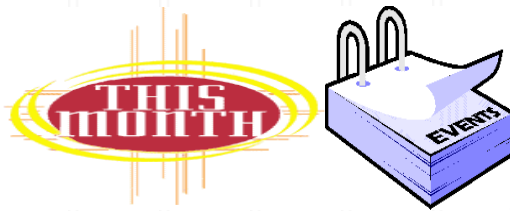

OF NUMBERS

The Bronze Serpent lifted up by Moses in the wilderness is a clear portrait of Christ, as is the Rock that quenches thirst. The Daily Manna is the Bread of Life. Christ is seen as the Star, out of Jacob, the Sceptre of Israel, including the presence and guidance seen in the pillar of cloud and fire. There is the sinner's refuge in the cities of Refuge and the red heifer sacrifice.

-  **BIBLICAL KNOWLEDGE-** Did you know that the incident of Noah and the Ark yields an analysis as a type of Christ? The ark itself is a type of Christ also. God gave Noah every detail of how it was to be built in its purpose for protecting Noah and his family from the His coming judgement upon the world. God also planned every minute detail of how His Son, the Second Person of The Godhead, would save God's people. Not a detail was left to humankind. The ark brought earthly salvation for Noah's family from the flood , so Christ bring eternal salvation for all who believe in Him and can gain forgiveness for their sin. As Noah's ark had only one door, so is Christ the only door to God The Father. He is the only way people

AN APRIL EVENT

*During the first three centuries, the Christian Church met persecution in intermittent intervals around the Roman Empire. But nothing compared with it's struggle during the days of Roman emperor Diocletian who seized power in a coup, appointed fellow-soldier Maximian as co-emperor and two other men as assistants, Constantius and Galerius. The four ruled the empire with a philosophy of "traditional values," which excluded Christianity. Though Diocletian himself seemed tolerant of Christians (his wife and daughter were believers), Galerius was strongly anti-Christian and slowly highlighted Christians as state opponents which began a series of persecutions against them. Several edicts were issued against the Church, the last and worst being published on April 30, 304. Christians were dismissed from their positions and all civil rights suspended. Church buildings were set afire, including copies of the Scriptures. Church leaders were executed, many by lions in the coliseums. Many believers were thrown into squalid prisons or sent to dreaded mines. Galerius, the oppressive instigator, meanwhile, found he was dying of a disease commonly known as "being eaten with worms." On April 30, 311, an anniversary of the earlier edict, he issued another in which he **suspended maltreatment against Christians** if they would pray for his recovery. From a thousand prisons, mines, and labor camps, the warriors of Christ streamed home. Many of them no doubt prayed*

for Galerius, but he didn't recover. Five days after Galerius, signed the edict which ended the persecution, the oppressor died.

God Bless.
